## Annihilation (2018) (Film) - TV Tropes

Alex Garland's new film Annihilation works best when taken as a gigantic metaphor, so we're unpacking and explaining what the movie might mean.

## Annihilation Reviews - Metacritic

It's hard to know where to start or how to even describe Annihilation - part alien invasion film, part surreal mind-bender, part heartfelt melodrama... I was on the set a little over a year.

## Film Review: 'Annihilation' - Variety

Annihilation is far from being a perfect movie, but goddammit is it good. It's derivative as all hell (imagine if Aliens had a baby with The Thing and that baby married Tarkovsky's Stalker), but never in an ostentatious way.

## Annihilation (2018) - Movie | Moviefone

Film Review: 'Annihilation' Alex Garland follows up 'Ex Machina' with a visually stunning, imagination-tickling sci-fi thriller in which Natalie Portman investigates an extra-terrestrial threat.

## Annihilation [2018] Full Movie | Online Download - DVDRip

Annihilation is a women-on-a-mission film — a five-strong team, each member with a different skill set (a biologist, a physicist, a geologist, a paramedic and a psychologist), are sent to.

## **?Annihilation (2018) directed by Alex Garland • Reviews, film**

The movie has memorable dialogue not included in the original novel and the characters are much more fleshed out (the conversation between the biologist and the psychologist about the nature of self destruction is a highlight, and a pivotal moment in the film).

## **Annihilation Movie Review & Film Summary (2018) | Roger Ebert**

Annihilation is a 2014 novel by Jeff VanderMeer. It is the first in a series of three books called the Southern Reach Trilogy. The book describes a team of four women (a biologist, an anthropologist, a psychologist, and a surveyor) who set out into an area known as Area X.

## **Watch Annihilation | DVD, BLU-RAY AND STREAMING**

Annihilation is a 2018 science fiction horror film written and directed by Alex Garland, based on the novel of the same name by Jeff VanderMeer.

## **Annihilation (VanderMeer novel) - Wikipedia**

Natalie Portman and Gina Rodriguez in Annihilation, a genre film that revolves around intelligent characters reacting intelligently to fantastical events.

## **Annihilation: Netflix announce UK release date | The Independent**

A psychological mystery laced with environmental disaster and alien-scary juju, Alex Garland's elegantly unsettling "Annihilation" is here to shake up your night at the movies in the most.

## **'Annihilation' on Netflix: Blame Moviegoers, Not Paramount**

Annihilation is the second directorial effort by Alex Garland, following his Oscar-winning debut, *Ex Machina*. It is noteworthy for having a female-led cast, with the likes of Natalie Portman, Tessa Thompson, and others in starring roles.

## **Mortal Kombat: Annihilation (1997) - fmovies.film**

"Annihilation" is not an easy film to discuss. It's a movie that will have a different

meaning to different viewers who are willing to engage with it. It's about self-destruction, evolution, biology, co-dependence, and that which scares us the most—that we can no longer trust our own bodies.

## **'Annihilation' Review | Hollywood Reporter**

Able to generate dread and awe with equal skill, Annihilation is an absorbing amalgam of genres and influences, all coming together to produce a dazzling creation as vivid as the hybrid life forms.

## **Annihilation Review | Movie - Empire**

Annihilation is another solid entry in the dark, cerebral sci-fi genre for director Alex Garland, though compared to his debut (*Ex Machina*) it is decidedly less consistent. The film's somber atmosphere and otherworldly visuals are its major strengths.

## **Review: In 'Annihilation,' a Heroic Journey into the Alien**

The film follows characters played by Natalie Portman, Jennifer Jason Leigh, and Tessa Thompson into the heart of an eerie alien anomaly, in a plot that echoes the Russian movie *Stalker*.

## **Annihilation (2018) - IMDb**

Watch Annihilation now on DVD, Blu-ray and Streaming. Official movie site for Annihilation. From the director of *Ex Machina* comes one of the year's most critically acclaimed thrillers.

## **'Annihilation' Film Review: Natalie Portman Anchors Woolly**

Any studio executive would be rightfully terrified about releasing a film like "Annihilation" in 2018, and moviegoers have to take accountability for causing this kind of panic. The key.

## **Annihilation review: the most thoughtful science fiction**

A science-fiction fantasy spiked with baroque horror, "Annihilation" tells an enigmatic tale of love and death and alien invasion. Set in a future that looks pretty much like today, it centers.

## **Annihilation Spoiler Review: A Strange, Haunting Masterpiece**

What followed was a request by Ellison to change the film's ending, and reshape of the portrayal of Natalie Portman's character, but thankfully, the film's co-producer Scott Rudin backed Garland, allowing the filmmaker to make the picture he wanted.
